Members are requested to hand over the enclosed Attendance Slip, duly signed in accordance with their specimen signature(s) registered with the Company for admission to the meeting hall where the AGM is proposed to be held. Members who hold shares in electronic form are requested to bring their Client ID and DP ID numbers for identification.
8. AGM Notice and Annual Report are being sent by e-mail to those Members who have registered their e-mail ID's with their Depository (in case of electronic shareholding) / the Company's Registrar and Share Transfer Agent Skyline Financial Services Private Limited (in case of physical shareholding) for receipt of documents in electronic mode.
9. AGM Notice and Annual Report are being sent to all Members, whose names appear in the Register of Members / List of Beneficial Owners as received from Skyline Financial Services Private Ltd as on Friday 28<sup>th</sup> July, 2023. AGM Notice and Annual Report are also available on the website of NSDL i.e. <http://www.evoting.nsdl.com>.
10. Only those Members, whose names appear in the Register of Members / List of beneficial owners as on Monday, 21<sup>st</sup> August, 2023 (Cut-off Date), shall be entitled to vote (through remote e-voting / physical ballot paper) on the resolutions set forth in this Notice and their voting rights shall be in proportion to their shares in the paid up equity share capital of the Company as on the Cut-off Date. A person who is not a Member as on the Cut-off Date should treat this Notice for information only.
11. In compliance with provisions of Section 108 of The Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is pleased to provide to its Members the facility to exercise their right to vote by electronic means and the business may be transacted through remote e-voting facility (i.e. facility of casting votes by using an electronic voting system from a place other than the venue of AGM). The Company has engaged the services of Skyline Financial Services Private Limited as the Agency to provide remote e-voting facility.
12. The Company shall also provide facility for voting through physical ballot paper at the AGM and Members attending the AGM, who have not already cast their votes by remote e-voting shall be able to exercise their right to vote at the AGM.
13. Members can opt for only one mode of voting i.e. either by physical ballot paper or by remote e-voting. However, if Members cast their vote through both mode of voting, then the voting through remote e-voting shall prevail.
14. The remote e-voting facility shall be available during the following period:  
Commencement of remote e-voting: From 9:00 A.M. on Friday 25<sup>th</sup> August, 2023.  
End of remote e-voting: Up to 5:00 P.M. on Sunday 27<sup>th</sup> August, 2023.
15. The remote e-voting shall not be allowed beyond the aforesaid time and date and the e-voting module shall be disabled by Skyline Financial Services Private Limited upon expiry of the aforesaid period.

16. The e-Voting Event Number, User ID and Password for remote e-voting are being sent by e-mail, to those Members who have registered their e-mail ID's and along with physical copy of AGM Notice to those Members, who have not registered their e-mail ID's.
17. The Members, who have cast their votes by remote e-voting may also attend the AGM but shall not be entitled to cast their vote again.
18. Profile of the Directors seeking appointment/re-appointment, as required in terms of Regulation 36 (3) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard-2 issued by the Institute of Company Secretaries of India is annexed to this notice.
19. The Register of Members and Share Transfer Books of the Company will remain closed from 22<sup>nd</sup> August, 2023 to 28<sup>th</sup> August, 2023.
20. The Board of Directors has appointed CS Sucheta Gupta, Owner of M/s Sucheta Gupta & Associates, Company Secretaries as the Scrutinizer to scrutinize the remote e-voting and physical voting process at the AGM in a fair and transparent manner.
21. The Scrutinizer will make a consolidated Scrutinizers Report of the total votes cast in favour or against and invalid votes if any, to the Chairman or in his absence to any other Director authorized by the Board, who shall countersign the same. Based on the Scrutinizer's Report, the result will be declared by the Chairman or in his absence by the Company Secretary within 48 hours from the conclusion of the AGM at the Registered Office of the Company.
22. The result declared along with the Scrutinizer's Report will be displayed on the notice board of the Company at its Registered Office and Company's website i.e., [www.durgeshmerchantsltd.com](http://www.durgeshmerchantsltd.com). The result shall also be submitted with the Stock Exchanges, where the Company's shares are listed.
23. Subject to receipt of requisite number of votes, the resolutions shall be deemed to be passed on the date of the AGM i.e. 28<sup>th</sup> August, 2023.
24. Members holding shares in physical form are requested to immediately notify change in their address/Bank details to the Company's Share Transfer Agent i.e. Skyline Financial Services Private Limited having its Registered Office at D-153/A, 1<sup>st</sup> floor, Phase I, Okhla Industrial Area, New Delhi, Delhi 110020 or to the Company's Registered Office at D-251, Ground Floor, Defence Colony, New Delhi-110024 quoting their Folio Number and Bank Account details along with self-attested documentary proofs together with the proof of address.
25. Since the Company's shares are in compulsory demat trading, to ensure better service and elimination of risk of holding shares in physical form, we request shareholders holding shares in physical form to dematerialize their shares at the earliest.
26. Members seeking any information with regard to Annual Accounts at the time of meeting are requested to send their queries to the Company at least 7 days before the date of meeting so as to enable the management to keep the information ready.
27. In case of joint holders attending the Meeting, only such joint holder who is higher in the order of names will be entitled to vote.
28. Members are requested to bring their attendance slip along with their copy of Annual Report along with them at the Meeting.

29. The documents referred to in the Notice are open for inspection at the Registered Office of the Company on any working day (except Sunday and holiday) between 10.00 A.M. to 12.00 Noon up to the date of Annual General Meeting.
30. The Register under Section 189 (4) of the Companies Act, 2013 shall be produced at the commencement of the meeting and shall remain open and accessible during the continuance of the meeting.
31. The facility for voting, via ballot or polling paper shall also be made available at the meeting and members attending the meeting shall be able to exercise their right at the meeting;
32. The Securities Exchange Board of India (SEBI) has mandated submission of Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in electronic form are requested to submit PAN to their Depository Participant(s) with whom they are maintaining their DEMAT accounts. Members holding shares in physical form can submit their PAN details to the Company's Registrar and Transfer Agent.
33. The Ministry of Corporate Affairs has taken a 'Green Initiative in Corporate Governance' by issuing circulars allowing paperless compliances by Companies through electronic mode. The Members can now receive various notices and documents through electronic mode by registering their e-mail addresses with the Company. Shareholders who have not registered their e-mail address with the Company can now register the same by post with M/s. Skyline Financial Services Private Limited, Company's Registrar and Share Transfer Agent or to the Company. Members holding shares in electronic form are requested to register their email addresses with their Depository Participants only. Even after registering for E-communication, the shareholders of the Company are entitled to receive such communication in physical form, upon request.
34. Electronic copy of the Notice of the 39<sup>th</sup> Annual General Meeting of the Company *inter alia* indicating the process and manner of remote e-voting along with Attendance Slip and Proxy Form is being sent to all the members whose email IDs are registered with the Company / Depository Participants(s) for communication purposes unless any member has requested for a hard copy of the same. Members, who have not registered their email address so far, are requested to register their email IDs for receiving all communications including Annual Report, Notices, etc., from the Company electronically.
35. The route map of the venue of the Meeting is given in the Notice.
36. The Company shall be convening the AGM after taking all the necessary precautions required in this COVID 19 pandemic situation such as:
  - There will be proper sanitization in the office area and it will be taken care by all means at all times.

## Dematerialization of physical shares and Updation of KYC

Dear Shareholders,

We would like to inform you that Securities and Exchange Board of India (SEBI) vide their Circular No. SEBI/HO/MIRSD/MIRSD-PoD-1/P/CIR/2023/37 dated 16th March, 2023, has mandated all holders of physical securities in listed companies to furnish the PAN, Nomination forms, Contact details, Bank account details, specimen signatures etc. to the RTA.

We observe from our records that the above said details of holders of physical securities have not been updated in your Folios. Hence, we request you to send the details of your PAN, KYC and Nomination form (format is uploaded on website of the Company i.e., <https://www.durgeshmerchantsltd.com/shareholder-information>) to the Registrar and Share Transfer Agent (RTA) (i.e., Skyline Financial Services Private Limited) of the Company on or before September 30, 2023. If the RTA doesn't have the above said details on September 30, 2023 then the Folio shall be frozen by the RTA.

The RTA shall revert the frozen folios to normal status upon

- a) Receipt of all the aforesaid documents / details or
- b) Dematerialization of all the securities in such folios.

Please also provide your Email Id, Phone / Mobile No. for record as well as for us to send to you communication by electronic means in accordance with various circulars issued by the Ministry of Corporate Affairs from time to time.

Further, we would also like to inform you that SEBI vide amendment in the Regulation 40 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, dated June 8, 2018, has mandated that the transfer of securities would be carried out in dematerialized form only w.e.f., April 01, 2019.

You are accordingly advised to dematerialize your physical shareholding at earliest. After April 01, 2019, no request for transfer of shares in physical form can be processed by the Company/RTA.

In order to dematerialize your shares, please open a Demat Account with any of the Depository Participant and submit your physical share certificate(s) with them for dematerialization to avoid inconvenience at later stage. An early action in the matter will save you from unnecessary hassle at a later date.

**Thanking you,  
Yours faithfully,  
For Durgesh Merchants Limited**

**Sd/-  
Company Secretary**

Dear Shareholder(s),

RE: UPDATION OF PAN, KYC, NOMINATION AND BANK DETAILS ETC.

Your attention is drawn to the SEBI Circular No. SEBI/HO/MIRSD/MIRSD-PoD-1/P/CIR/2023/37 dated 16<sup>th</sup> March, 2023, wherein it has been decided by the SEBI to mandatorily update the PAN, KYC, Nomination details, Bank details, contact details and Specimen Signature of all shareholders holding shares in physical form and compulsory linking of PAN with Aadhar No. by all shareholders.

In the said circular, SEBI has also stipulated that if the shareholders holding shares in physical mode do not update the PAN, KYC and Nomination details or these details are not made available to the Company/their Registrar and Share Transfer Agents (RTA) by 30<sup>th</sup> September, 2023, then such folios shall be frozen by RTA on or after 1<sup>st</sup> October, 2023 (or any other date as may be notified) as per the directive issued by SEBI. Also, the folios in which PAN is not linked to Aadhaar as on 30.06.2023 or any other date as may be specified by the Central Board of Direct Taxes will also be frozen by the RTA.

Please further note that w.r.t. securities in the frozen folios -

- any service request will be entertained by the RTA only upon registration / updation of PAN, KYC and Nomination details
- However the frozen folios shall be eligible for any payment including dividend, interest or redemption payment but only through electronic mode upon complying with the requirements stated herein (or as per other directive of SEBI)
- The frozen folios shall be referred by RTA / Company to the administering authority under the Benami Transactions (Prohibitions) Act, 1988 and / or Prevention of Money Laundering Act, 2002, if they continue to remain frozen as on December 31, 2025.

Therefore, you are requested to comply with the following procedure to avoid any freezing of folios:

-

### **RISK MANAGEMENT**

## **17. RISK MANAGEMENT**

Risk Management is an integral part of the Company's business strategy. The Board reviews compliance with risk policies, monitors risk tolerance limits, reviews and analyzes risk exposure related to specific issues and provides oversight of risk across the organization. The Board nurtures a healthy and independent risk management function to inculcate a strong risk management culture in the Company.

## **18. RISK MANAGEMENT POLICY**

This Policy represents the basic standards of Risk Assessment to be followed by the Company. Changes in the Policy will become effective upon approval by the Board of Directors of the Company. All relevant employees must be thoroughly familiar or made familiar with it and make use of the material contained in this Policy.

## **19. INTERNAL CONTROL SYSTEMS**

The Company's internal control system is designed to ensure operational efficiency, protection and conservation of resources, accuracy and promptness in financial reporting and compliance with laws and regulations. The internal control system is supported by an internal audit process for reviewing the adequacy and efficacy of the Company's internal controls, including its systems and processes and compliance with regulations and procedures.

The Company's Internal Control System is adequate and commensurate with the nature and size of the Company and it ensures:

- Timely and accurate financial reporting in accordance with applicable accounting standards.
- Optimum utilization, efficient monitoring, timely maintenance and safety of its assets.
- Compliance with applicable laws, regulations and management policies.

## **20. STATEMENT IN RESPECT OF ADEQUACY OF INTERNAL FINANCIAL CONTROL WITH REFERENCE TO THE FINANCIAL STATEMENTS**

## INDEPENDENT AUDITOR'S REPORT

### **To the Members of Durgesh Merchants Limited**

#### **Report on the Audit of the Standalone Financial Statements**

We have audited the accompanying standalone financial statements of **M/s Durgesh Merchants Limited** ('the Company'), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss, including the Statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ('the Act'), as amended in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's responsibilities for the audit of the standalone Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

#### **Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibility of Management's for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- (a) Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting

from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- (b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- (c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- (d) Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- (e) Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the financial year ended 31 March 2023 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act (hereinafter referred to as the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the "Annexure-I" a statement on the matters specified in paragraphs 3 and 4 of the Order , to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
  - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
  - (e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
  - (f) In our opinion, the company has, in all material respects reasonably adequate internal financial controls system over financial reporting, keeping in view the size of the company, and nature if its business. Such Internal financial controls over the financial reporting were operating effectively as on March 31, 2023, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note " Audit of Internal Financial Controls Over Financial Reporting " issued by The institute of Chartered accountants of India.
  - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company does not have any pending litigations on its financial position in its financial statements.
    - ii. According to the information and explanations provided to us, the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
    - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
    - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind

of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. As per the representation received and to the best of its knowledge and belief, the company has not declared or paid dividend either final or interim in nature during the year.

## **Notes of the financial statements for the year ended March 31, 2023**

### **1.1 Corporate Information**

M/s Durgesh Merchants Limited (hereinafter referred as the “Company”) was originally incorporated on 27th December, 1984 as a public limited Company with its Certificate of Commencement of Business dated 31st December, 1984. The Corporate Identification Number of the Company is L65923DL1984PLC248322.

Durgesh Merchants Limited is a (Non-Deposit Accepting) Non Banking Financial Company (NBFC). The Company obtained its fresh Certificate of Registration from Reserve Bank of India (RBI), New Delhi to carry on the business of Non-Banking Financial Institution on 11th September, 2015. The Registration Number of the Company with RBI is B-14.03319. The Company is involved in the financial business to carry on all or any of the business of financiers of industrials, commercials, and other enterprises.

### **1.2 Basis of preparation**

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and notified under section 133 of the Companies Act, 2013 (the Act) along with other relevant provisions of the Act and the Master Direction – Non-Banking Financial Company – Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 (‘the NBFC Master Directions’) issued by RBI. The financial statements have been prepared on a going concern basis. The Company uses accrual basis of accounting except in case of significant uncertainties.

For all periods up to and including the year ended 31 March 2020, the Company had prepared its financial statements in accordance with accounting standards notified under Section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Amendment Rules, 2016 and the NBFC Master Directions (hereinafter referred as ‘Previous GAAP’). These financial statements for the year ended 31 March 2020 are the first the Company has prepared in accordance with Ind AS. The Company has applied Ind AS 101 ‘First-time Adoption of Indian Accounting Standards’, for transition from previous GAAP to Ind AS. An explanation of how transition to Ind AS has affected the previously reported financial position, financial performance and cash flows of the Company is provided in note no. 31.

### **1.3 Presentation of financial statements**

The Company presents its Balance Sheet in order of liquidity

The Company generally reports financial assets and financial liabilities on a gross basis in the Balance Sheet. They are offset and reported net only when Ind AS specifically permits the same or it has an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event. Similarly, the Company offsets incomes and expenses and reports the same on a net basis when permitted by Ind AS specifically unless they are material in nature.

Critical accounting estimates and judgments

The preparation of the Company’s financial statements requires Management to make use of estimates and judgments. In view of the inherent uncertainties and a level of subjectivity involved in measurement of items, it is possible that the outcomes in the subsequent financial years could differ from those on which the Management’s estimates are based. Accounting estimates and judgments are used in various line items in the financial statements for e.g.:

Business model assessment [Refer note no. 2.4(i)]

Fair value of financial instruments [Refer note no. 2.15, 47 and 48]

Effective Interest Rate (EIR) [Refer note no. 2.1(i)]

Impairment on financial assets [Refer note no. 2.4(i) 8 and 49]

Provisions and other contingent liabilities [Refer note no. 2.10 and 41]

Provision for tax expenses [Refer note no. 2.6(i)]

Residual value and useful life of property, plant and equipment [Refer note no. 2.7(h)]

## **2. Summary of significant accounting policies**

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

### **2.1 Income**

#### **(i) Interest income**

The Company recognises interest income using Effective Interest Rate (EIR) on all financial assets subsequently measured at amortised cost or fair value through other comprehensive income (FVOCI). EIR is calculated by considering all costs and incomes attributable to acquisition of a financial asset or assumption of a financial liability and it represents a rate that exactly discounts estimated future cash payments/receipts through the expected life of the financial asset/financial liability to the gross carrying amount of a financial asset or to the amortised cost of a financial liability.

The Company recognises interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets. In case of credit-impaired financial assets [as set out in note no. 2.4(i)] regarded as 'stage 3', the Company recognises interest income on the amortised cost net of impairment loss of the financial asset at EIR. If the financial asset is no longer credit-impaired [as outlined in note no. 2.4(i)], the Company reverts to calculating interest income on a gross basis.

Delayed payment interest (penal interest) levied on customers for delay in repayments/non payment of contractual cashflows is recognised on realisation.

Interest on financial assets subsequently measured at fair value through profit or loss (FVTPL) is recognised at the contractual rate of interest.

#### **(ii) Dividend income**

Dividend income on equity shares is recognised when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

#### **(iii) Other revenue from operations**

The Company recognises revenue from contracts with customers (other than financial assets to which Ind AS 109 'Financial Instruments' is applicable) based on a comprehensive assessment model as set out in Ind AS 115 'Revenue from contracts with customers'. The Company identifies contract(s) with a customer and its performance obligations under the contract, determines the transaction price and its allocation to the performance obligations in the contract and recognises revenue only on satisfactory completion of performance obligations. Revenue is measured at fair value of the consideration received or receivable.

#### **(a) Fees and commission**

The Company recognises service and administration charges towards rendering of additional services to its loan customers on satisfactory completion of service delivery.

Fees on value added services and products are recognised on rendering of services and products to the customer.

Distribution income is earned by selling of services and products of other entities under distribution arrangements. The income so earned is recognised on successful sales on behalf of other entities subject to there being no significant uncertainty of its recovery. Foreclosure charges are collected from loan customers for early payment/closure of loan and are recognised on realisation.

**(b) Net gain on fair value changes**

Financial assets are subsequently measured at fair value through profit or loss (FVTPL) or fair value through other comprehensive income (FVOCI), as applicable. The Company recognises gains/losses on fair value change of financial assets measured as FVTPL and realised gains/losses on derecognition of financial asset measured at FVTPL and FVOCI.

**Summary of significant accounting policies (Contd.)**

**(c) Sale of services**

The Company, on de-recognition of financial assets where a right to service the derecognised financial assets for a fee is retained, recognises the fair value of future service fee income over service obligations cost on net basis as service fee income in the statement of profit or loss and, correspondingly creates a service asset in Balance Sheet. Any subsequent increase in the fair value of service assets is recognised as service income and in the service asset is recognised as interest income in line with Ind AS 109 'Financial instruments'.

Other revenues on sale of services are recognised as per Ind AS 115 'Revenue From Contracts with Customers' as articulated above in 'other revenue from operations'.

**(d) Recoveries of financial assets written off**

The Company recognises income on recoveries of financial assets written off on realisation or when the right to receive the same without any uncertainties of recovery is established.

**(iv) Taxes**

Incomes are recognised net of the Goods and Services Tax/Service Tax, wherever applicable

**2.2 Expenditures**

**(i) Finance costs**

Borrowing costs on financial liabilities are recognised using the EIR [refer note no. 2.1(i)].

**(ii) Fees and commission expenses**

Fees and commission expenses which are not directly linked to the sourcing of financial assets, such as commission/incentive incurred on value added services and products distribution, recovery charges and fees payable for management of portfolio etc., are recognised in the Statement of Profit and Loss on an accrual basis.

**(iii) Taxes**

Expenses are recognised net of the Goods and Services Tax/Service Tax, except where credit for the input tax is not statutorily permitted.

**2.3 Cash and cash equivalents**

Cash and cash equivalents include cash on hand, other short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

**2.4 Financial instruments**

A financial instrument is defined as any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Trade receivables and payables, loan receivables, investments in securities and subsidiaries, debt securities and other borrowings, preferential and equity capital etc. are some examples of financial instruments.

All the financial instruments are recognised on the date when the Company becomes party to the contractual provisions of the financial instruments. For tradable securities, the Company recognises the financial instruments on settlement date.

#### **(i) Financial assets**

Financial assets include cash, or an equity instrument of another entity, or a contractual right to receive cash or another financial asset from another entity. Few examples of financial assets are loan receivables, investment in equity and debt instruments, trade receivables and cash and cash equivalents.

#### **Initial measurement**

All financial assets are recognised initially at fair value including transaction costs that are attributable to the acquisition of financial assets except in the case of financial assets recorded at FVTPL where the transaction costs are charged to profit or loss.

### **Summary of significant accounting policies (Contd.)**

#### **Subsequent measurement**

For the purpose of subsequent measurement, financial assets are classified into four categories:

- (a) Debt instruments at amortised cost
- (b) Debt instruments at FVOCI
- (c) Debt instruments at FVTPL
- (d) Equity instruments designated at FVOCI

#### **(a) Debt instruments at amortised cost**

The Company measures its financial assets at amortised cost if both the following conditions are met:

- The asset is held within a business model of collecting contractual cash flows; and
- Contractual terms of the asset give rise on specified dates to cash flows that are Sole Payments of Principal and Interest (SPPI) on the principal amount outstanding.

To make the SPPI assessment, the Company applies judgment and considers relevant factors such as the nature of portfolio and the period for which the interest rate is set.

The Company determines its business model at the level that best reflects how it manages groups of financial assets to achieve its business objective. The Company's business model is not assessed on an instrument by instrument basis, but at a higher level of aggregated portfolios. If cash flows after initial recognition are realised in a way that is different from the Company's original expectations, the Company does not change the classification of the remaining financial assets held in that business model, but incorporates such information when assessing newly originated financial assets going forward.

The business model of the Company for assets subsequently measured at amortised cost category is to hold and collect contractual cash flows. However, considering the economic viability of carrying the delinquent portfolios in the books of the Company, it may sell these portfolios to banks and/or asset reconstruction companies.

After initial measurement, such financial assets are subsequently measured at amortised cost on effective interest rate (EIR). For further details, refer note no. 2.1(i). The expected credit loss (ECL) calculation for debt instruments at amortised cost is explained in subsequent notes in this section.

**(b) Debt instruments at FVOCI**

The Company subsequently classifies its financial assets as FVOCI, only if both of the following criteria are met:

The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets; and

Contractual terms of the asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding.

Debt instruments included within the FVOCI category are measured at each reporting date at fair value with such changes being recognised in other comprehensive income (OCI). The interest income on these assets is recognised in profit or loss. The ECL calculation for debt instruments at FVOCI is explained in subsequent notes in this section.

Debt instruments such as long term investments in Government securities to meet regulatory liquid asset requirement of the Company's deposit program and mortgage loans portfolio where the Company periodically resorts to partially selling the loans by way of assignment to willing buyers are classified as FVOCI.

On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified to profit or loss.

**(c) Debt instruments at FVTPL**

The Company classifies financial assets which are held for trading under FVTPL category. Held for trading assets are recorded and measured in the Balance Sheet at fair value. Interest and dividend incomes are recorded in interest income and dividend income, respectively according to the terms of the contract, or when the right to receive the same has been established. Gain and losses on changes in fair value of debt instruments are recognised on net basis through profit or loss.

**Summary of significant accounting policies (Contd.)**

The Company's investments into mutual funds, Government securities (trading portfolio) and certificate of deposits for trading and short term cash flow management have been classified under this category.

**(d) Equity investments designated under FVOCI**

All equity investments in scope of Ind AS 109 'Financial Instruments' are measured at fair value. The Company has strategic investments in equity for which it has elected to present subsequent changes in the fair value in other comprehensive income. The classification is made on initial recognition and is irrevocable.

All fair value changes of the equity instruments, excluding dividends, are recognised in OCI and not available for reclassification to profit or loss, even on sale of investments. Equity instruments at FVOCI are not subject to an impairment assessment.

**Derecognition of Financial Assets**

The Company derecognises a financial asset (or, where applicable, a part of a financial asset) when:

The right to receive cash flows from the asset have expired; or

The Company has transferred its right to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under an assignment arrangement and the Company has transferred substantially all the risks and rewards of the asset. Once the asset is derecognised, the Company does not have any continuing involvement in the same.

The Company transfers its financial assets through the partial assignment route and accordingly derecognises the transferred portion as it neither has any continuing involvement in the same nor does it retain any control. If the Company retains the right to service the financial asset for a fee, it recognises either a servicing asset or a servicing liability for that servicing contract. A service liability in respect of a service is recognised at fair value if the fee to be received is not expected to compensate the Company adequately for performing the service. If the fees to be received is expected to be more than adequate compensation for the servicing, a service asset is recognised for the servicing right at an amount determined on the basis of an allocation of the carrying amount of the larger financial asset.

On derecognition of a financial asset in its entirety, the difference between:

the carrying amount (measured at the date of derecognition) and  
the consideration received (including any new asset obtained less any new liability assumed) is recognised in profit or loss.

### **Impairment of financial assets**

ECL are recognised for financial assets held under amortised cost, debt instruments measured at FVOCI, and certain loan commitments.

Financial assets where no significant increase in credit risk has been observed are considered to be in 'stage 1' and for which a 12 month ECL is recognised. Financial assets that are considered to have significant increase in credit risk are considered to be in 'stage 2' and those which are in default or for which there is an objective evidence of impairment are considered to be in 'stage 3'. Lifetime ECL is recognised for stage 2 and stage 3 financial assets.

At initial recognition, allowance (or provision in the case of loan commitments) is required for ECL towards default events that are possible in the next 12 months, or less, where the remaining life is less than 12 months.

In the event of a significant increase in credit risk, allowance (or provision) is required for ECL towards all possible default events over the expected life of the financial instrument ('lifetime ECL').

Financial assets (and the related impairment loss allowances) are written off in full, when there is no realistic prospect of recovery.

### **Treatment of the different stages of financial assets and the methodology of determination of ECL**

#### **Summary of significant accounting policies (Contd.)**

##### **(a) Credit impaired (stage 3)**

The Company recognises a financial asset to be credit impaired and in stage 3 by considering relevant objective evidence, primarily whether:

Contractual payments of either principal or interest are past due for more than 90 days;

The loan is otherwise considered to be in default.

Restructured loans, where repayment terms are renegotiated as compared to the original contracted terms due to significant credit distress of the borrower, are classified as credit impaired. Such loans continue to be in stage 3 until they exhibit regular payment of renegotiated principal and interest over a minimum observation period, typically 12 months- post renegotiation, and there are no other indicators of impairment. Having satisfied the conditions of timely payment over the observation period these loans could be transferred to stage 1 or 2 and a fresh assessment of the risk of default be done for such loans.

Interest income is recognised by applying the EIR to the net amortised cost amount i.e. gross carrying amount less ECL allowance.

##### **(b) Significant increase in credit risk (stage 2)**

An assessment of whether credit risk has increased significantly since initial recognition is performed at each reporting period by considering the change in the risk of default of the loan exposure. However, unless identified at an earlier stage, 30 days past due is considered as an indication of financial assets to have suffered a significant increase in credit risk. Based on other indications such as borrower's frequently delaying payments beyond due dates though not 30 days past due are included in stage 2 for mortgage loans.

The measurement of risk of defaults under stage 2 is computed on homogenous portfolios, generally by nature of loans, tenors, underlying collateral, geographies and borrower profiles. The default risk is assessed using PD (probability of default) derived from past behavioural trends of default across the identified homogenous portfolios. These past trends factor in the past customer behavioural trends, credit transition probabilities and macroeconomic conditions. The assessed PDs are then aligned considering future economic conditions that are determined to have a bearing on ECL.

**(c) Without significant increase in credit risk since initial recognition (stage 1)**

ECL resulting from default events that are possible in the next 12 months are recognised for financial instruments in stage 1. The Company has ascertained default possibilities on past behavioural trends witnessed for each homogenous portfolio using application/behavioural score cards and other performance indicators, determined statistically.

**(d) Measurement of ECL**

The assessment of credit risk and estimation of ECL are unbiased and probability weighted. It incorporates all information that is relevant including information about past events, current conditions and reasonable forecasts of future events and economic conditions at the reporting date. In addition, the estimation of ECL takes into account the time value of money. Forward looking economic scenarios determined with reference to external forecasts of economic parameters that have demonstrated a linkage to the performance of our portfolios over a period of time have been applied to determine impact of macro-economic factors.

Company has incurred any loss of assets or Interest Income thereon in last 3 Financial years, therefore expected credit loss is assumed as per RBI Prudential Norms on Prudent Basis.

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent liabilities are not recognized but are disclosed in the notes. Contingent assets are neither recognized nor disclosed in the financial statements.

Provision for non-performing assets is recorded at rates which are equal to or higher than the rates specified by Reserve Bank of India in their guidelines on prudential norms. The rates used by the Company are as follows:

| •  | In accordance with Para 10 of Prudential Norms, the Company has shown provision for loans under 'Provisions' forming part of 'Non Financial Assets' |     |                             |        |

**(ii) Financial liabilities**

Financial liabilities include liabilities that represent a contractual obligation to deliver cash or another financial assets to another entity, or a contract that may or will be settled in the entities own equity instruments. Few examples of financial liabilities are trade payables, debt securities and other borrowings and subordinated debts.

#### **Initial measurement**

All financial liabilities are recognised initially at fair value and, in the case of borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade payables, other payables, debt securities and other borrowings.

#### **Subsequent measurement**

After initial recognition, all financial liabilities are subsequently measured at amortised cost using the EIR [Refer note no. 2.1(i)]. Any gains or losses arising on derecognition of liabilities are recognised in the Statement of Profit and Loss.

#### **Derecognition**

The Company derecognises a financial liability when the obligation under the liability is discharged, cancelled or expired.

#### **(iii) Offsetting of financial instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet only if there is an enforceable legal right to offset the recognised amounts with an intention to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

### **2.5 Investment in subsidiaries**

Investment in subsidiaries is recognised at cost and are not adjusted to fair value at the end of each reporting period. Cost of investment represents amount paid for acquisition of the said investment.

The Company assesses at the end of each reporting period, if there are any indications that the said investment may be impaired. If so, the Company estimates the recoverable value/amount of the investment and provides for impairment, if any i.e. the deficit in the recoverable value over cost.

### **2.6 Taxes**

#### **(i) Current tax**

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, in accordance with the Income Tax Act, 1961 and the Income Computation and Disclosure Standards (ICDS) prescribed therein. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current tax relating to items recognised outside profit or loss is recognised in correlation to the underlying transaction either in OCI or directly in other equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

### **Summary of significant accounting policies (Contd.)**

#### **2.7 Property, plant and equipment**

Property, plant and equipment are carried at historical cost of acquisition less accumulated depreciation and impairment losses, consistent with the criteria specified in Ind AS 16 'Property, Plant and Equipment'.

- (a) Depreciation is provided on a pro-rata basis for all tangible assets on straight line method over the useful life of assets, except buildings which is determined on written down value method.
- (b) Useful lives of assets are determined by the Management by an internal technical assessment except where such assessment suggests a life significantly different from those prescribed by Schedule II – Part C of the Companies Act, 2013 where the useful life is as assessed and certified by a technical expert.
- (c) Depreciation on addition to assets and assets sold during the year is being provided for on a pro rata basis with reference to the month in which such asset is added or sold as the case may be.
- (d) The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

### **2.8 Intangible assets and amortisation thereof**

Intangible assets, representing software are initially recognised at cost and subsequently carried at cost less accumulated amortisation and accumulated impairment. The intangible assets are amortised using the straight line method over a period of five years, which is the Management's estimate of its useful life. The useful lives of intangible assets are reviewed at each financial year end and adjusted prospectively, if appropriate.

### **2.9 Impairment of non-financial assets**

An assessment is done at each Balance Sheet date to ascertain whether there is any indication that an asset may be impaired. If any such indication exists, an estimate of the recoverable amount of asset is determined. If the carrying value of relevant asset is higher than the recoverable amount, the carrying value is written down accordingly.

### **2.10 Provisions and contingent liabilities**

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. The Company also discloses present obligations for which a reliable estimate cannot be made. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

### **2.11 Foreign currency translation**

The Company's financial statements are presented in Indian Rupee, which is also the Company's functional currency.

#### **Initial recognition**

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

#### **Conversion**

Foreign currency monetary items are re-translated using the exchange rate prevailing at the reporting date. Nonmonetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction.

#### **Exchange differences**

All exchange differences are accounted in the Statement of Profit and Loss.

### **Summary of significant accounting policies (Contd.)**

#### **2.12 Fair value measurement**

The Company measures its qualifying financial instruments at fair value on each Balance Sheet date.

Fair value is the price that would be received against sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place in the accessible principal market or the most advantageous accessible market as applicable.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy into Level I, Level II and Level III based on the lowest level input that is significant to the fair value measurement as a whole. For a detailed information on the fair value hierarchy, refer note no. 47 and 48.

For assets and liabilities that are fair valued in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy.

**2.13 Unless specifically stated to be otherwise, these policies are consistently followed.**

## (ii) Fair value hierarchy

All financial instruments for which fair value is recognised or disclosed are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is insignificant to the fair value measurements as a whole.

Level 1 : quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2 : valuation techniques for which the lowest level inputs that has a significant effect on the fair value measurement are observable, either directly or indirectly.

Level 3 : valuation techniques for which the lowest level input which has a significant effect on fair value measurement is not based on observable market data.

The following table provides the fair value measurement hierarchy of the Company's assets and liabilities, other than those whose fair values are close approximations of their carrying values.

For cash and cash equivalents, trade receivables, other receivables, short term borrowing, trade payables and other current financial liabilities the management assessed that their fair value is approximate their carrying amounts largely due to the short-term maturities of these instruments.

The fair values of the Company's long-term interest free security deposits are determined by applying discounted cash flows ("DCF") method, using discount rate that reflects the market borrowing rate as at the end of the reporting period. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counterparty credit risk.
